The "Texas Cookbook" features recipes from our home state, including over 1,200 of the state's best recipes, from Mom's Specialties and Tex-Mex to BBQ, Texas-style Cakes and Cookies. The book will be published in time for the 10th anniversary of TABBO's annual conference, October 2-4, 2018, in Dallas. "We are equally thrilled to have the opportunity to introduce a new generation of cooks to a rich repertoire of cooking traditions from the great state of Texas." Comprised of travelogues from chefs to the locals, musical memories of yesteryear, and profiles of food professionals, The "Texas Cookbook" is packed with good food, good times, and great stories. In addition to

the recipes and stories, readers will find great tips on entertaining, and sage advice on common food preservation questions. Each recipe in The "Texas Cookbook" has been developed by a chef, tasted, and tested by a wide range of consumers in the state, including chefs, food professionals, and families. The Association of Food Banks is dedicated to moving food from where it is produced, to where it is needed. In 2016,
